SEMESTER 2				
Semester Week	Workshop Name	Registration Link	Date/Time	Venue
WEEK 6	<b>Risk Management Workshop</b> All groups participating in Endeavour must conduct a risk assessment and submit a completed risk assessment form. This form requires each project group to declare the risks and identify risk management procedures that will ensure that their displays are conducted in a manner that is safe for both the exhibitors and the audience.  This workshop is to assist you in gaining a better understanding of risk and the risk matrix, how to conduct your risk assessment and how to fill out the form for your project group. This will be a good opportunity for you to ask questions about areas you are unsure of and ask for advice.	<b>Risk Management Workshop 1</b> <a href="https://bit.ly/2lvsXCm">https://bit.ly/2lvsXCm</a>	Tuesday 28 August, 1pm – 2pm	407 (C1 Theatre), Old Engineering

SEMESTER 2				
Semester Week	Workshop Name	Registration Link	Date/Time	Venue
WEEK 10	<b>Endeavour Awards – shortlisted award applicants notified</b>		Wednesday 3 October	
WEEK 12	<b>Project student bump in/testing and tagging</b> All project groups will need to bump in (set up) their exhibition booth on Wednesday 17 October 2018. A bump in schedule will be provided to your group prior to this day. This schedule will have a specific time allocated for your group to access the venue and setting up your booth space. This bump in schedule must be strictly adhered to due to the large volume of project groups and spacing arrangement. If your equipment requires to be tested and tagged, this can be completed on the same day as your group bumps in. Further details will be provided closer to this date.		Wednesday 17 October	
WEEK 12	<b>Venue walk-through</b> The Endeavour Planning Team will walk you through the venue before it is open for the public. This is a great time for you to familiarise yourself with the venue.		Wednesday 17 October, time TBC
